Re: Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC
Docket No. 2019-1-E

Dear Ms. Boyd:

On May 20, 2019, in Docket No. 2019-169-E, Duke Energy Progress, LLC (the "Company") filed an updated Renewable Net Metering ("RNM") tariff in order to comply with newly ratified House Bill 3659. The Commission approved the updated RNM tariff in Order No. 2019-390, issued on May 29, 2019. To incorporate the changes approved by that order, the Company is now filing a revised version of witness Jason Martin's first exhibit—Revised Martin Exhibit 1—which was originally filed in the above-referenced proceeding on April 26, 2019.

Should you have any questions about this filing, please let me know.

Kind regards,

Sam Wellborn
